

## Safety Data Sheet

Version: 5.0

Revision date: 01/01/2023

Product Name: Arctic SW5

### **Section 1: Identification of the Substance/Mixture and of the Company**

#### **Product identifier**

Product Name Arctic SW5

Product Number 773-1007

#### **Relevant identified use of the substance/mixture and uses advised against**

Use of Substance/Mixture Flavor agent.

#### **Details of supplier of the SDS**

Company O'Laughlin Corporation Limited

Address Suite 1704 Chinachem Tower 34 – 37 Connaught Road, Central, Hong Kong

Telephone (852) 2527 1031

Fax (852) 2529 0231

Website www.olaughlinco.com

#### **Emergency telephone number**

(852) 2527 1031

### **Section 2: Hazards Identification**

#### **Classification of the substance or mixture**

#### **Classification according to Regulation (EC) No 1272/2008**

Not regulated.

#### **Labelling elements**

#### **Labelling according to Regulation 67/548 EEC**

Not regulated.

#### **Labelling according to Regulation (EC) No 1272/2008**

Not regulated.

**Hazards Not Otherwise Classified** No information available

**Supplemental Hazard Information** No information available

### **Section 3: Composition/information on ingredients**

Substance Name	N-(Ethoxycarbonyl) methyl)-P-methane-3-carboxamide
CAS Number	68489-14-5
EC Number	N/A
% (w/w)	100

Remarks: The rest unspecified ingredients are impurities, and they are not hazard.

### **Section 4: First Aid Measures**

#### **Description of first aid measures**

**Skin contact** Remove contaminated clothes. Wash thoroughly with water (and soap). Contact physician if symptoms persist.

## Safety Data Sheet

Version: 5.0

Revision date: 01/01/2023

Product Name: Arctic SW5

<b>Eye contact</b>	R Flush immediately with water for at least 15 minutes. Contact physician if symptoms persist.
<b>Ingestion</b>	Rinse mouth with water and obtain medical advice.
<b>Inhalation</b>	Remove from exposure site to fresh air and keep at rest. Obtain medical advice.

### General information

Ensure that medical personnel are aware of the materials involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance.

**Indication of any immediate medical and special treatment needed:** No information available.

## **Section 5: Fire-fighting Measures**

### Flammable properties

Flash point	> 190°C
-------------	---------

### Firefighting

Suitable extinguishing media	Water spray, fog, CO2, dry chemical, or alcohol resistant foam.
Unsuitable extinguish media	Do not use a solid water stream as it may scatter and spread fire.

### Protective equipment and precautions for firefighters

Specific hazards during firefighting	Carbon oxides.
Specific protective equipment for firefighters	Firefighters must use standard protective equipment including flame retardant coat, helmet with face shield, gloves, rubber boots, and in enclosed spaces, SCBA. Structural firefighter's protective clothing will only provide limited protection. Wear self-contained breathing apparatus with a full face piece operated in the positive pressure demand mode when fighting fires.
Specific methods	Use water spray to cool unopened containers
General fire hazards	Static charges generated by emptying package in or near flammable vapor may cause flash fire.

## **Section 6: Accidental Release Measures**

<b>Personal precautions</b>	Avoid inhalation and contact with skin and eyes. A self- container breathing apparatus is recommended in case of a major spill.
<b>Environmental precautions</b>	Keep away from drains, surface and groundwater and soil.
<b>Methods for cleaning up</b>	Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal.

## **Section 7: Handling and Storage**

<b>Storage</b>	Keep away from heat, sparks and flames. Store in a tightly closed and suitable container, containers should be stored in a cool and dry place.
<b>Handling</b>	Avoid formation of aerosol. Smoking, eating and drinking should be prohibited in the application area. Take precautionary measures against static discharges. Provide sufficient air exchange and/or exhaust in work rooms. Open drum carefully as content may be under pressure.
<b>Specific end use(s)</b>	No information available.

## Safety Data Sheet

Version: 5.0

Revision date: 01/01/2023

Product Name: Arctic SW5

### **Section 8: Exposure Controls/Personal Protection**

**Control parameters:** Components with workplace control parameters.

#### **Exposure controls**

**Appropriate engineering controls** Use explosion-proof ventilation equipment to stay below exposure limits.

#### **Personal protective equipment**

**Eye/face protection** Eye wash bottle with pure water. Tightly fitting safety goggles.

**Hand protection** Type of gloves recommended: Butyl rubber. Minimum breakthrough time / gloves: 480 min. Minimum thickness / gloves 0.11 mm.

**Body protection** Protective work clothing.

**Respiratory protection** Mask (in case of insufficient ventilation).

**Thermal hazards** Wear suitable protective clothing to prevent heat.

**Environmental exposure controls** Avoid discharge into the environment. According to local regulations, Federal and official regulations.

**Industrial hygiene:** When using do not smoke. Keep away from food and drink. Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants.

### **Section 9: Physical and Chemical Properties**

**Appearance** White crystalline powder.

**Odor** Mentholic.

**Boiling point** 151°C

**Flash point** > 190 °C

**Specific Gravity** No information available.

**Refractive Index** No information available.

**Acid Value** No information available.

**Solubility (ies)** Insoluble in water.

**Auto ignition temperature** No information available.

**Viscosity** No information available.

### **Section 10: Stability and Reactivity**

**Reactivity** Stable under normal temperatures and pressures.

**Chemical stability** Stable at room temperature in closed containers under normal storage and handling conditions.

**Possibility of hazardous reactions** No hazardous reactions known.

**Conditions to avoid** Incompatible materials. Heat, sparks, flames.

**Incompatible materials** Strong oxidizing agents.

**Hazardous decomposition products** No information available.

### **Section 11: Toxicological Information**

#### **Information on likely routes of exposure**

**Inhalation** No information available.

## Safety Data Sheet

Version: 5.0

Revision date: 01/01/2023

Product Name: Arctic SW5

Skin contact	No information available.
Eye contact	No information available.
Ingestion	No information available.
Information on toxicological effects	
Oral/Parenteral Toxicity	No information available.
Dermal Toxicity	No information available.
Germ cell mutagenicity	No information available.
Carcinogenicity	
OSHA	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
IARC	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
ACGIH	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
NTP	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
Reproductive toxicity	No information available
TOST - single exposure	No information available.
TOST - repeated exposure	No information available.
Aspiration hazard	No information available.

### Section 12: Ecological Information

Eco toxicity	No information available.
Persistence and degradability	No information available.
Bio accumulative potential	No information available.
Mobility in soil	No information available.
Results of PBT&vPvB assessment	No information available.
Other adverse effects	No information available.

### Section 13: Disposal Considerations

Disposal instructions	Do not discharge into drains, water course or onto the ground. Do not allow this material to drain into sewers/water supplies. Do not contaminate ponds, waterways or ditches with chemical or used container. Dispose of contents/container in accordance with local/regional/national/international regulations.
Local disposal regulations	Dispose in accordance with all applicable regulations.
Hazardous water code	No information available.
Waste from residues/unused products	Empty containers or liner may retain some product residues. This material and its container must be disposed of in a safe manner.
Contaminated packaging	Empty containers should be taken to an approved waste handling site for recycling or disposal. Since emptied containers may retain product residue, follow label warnings even after container is emptied

## Safety Data Sheet

Version: 5.0

Revision date: 01/01/2023

Product Name: Arctic SW5

### Section 14: Transport Information

	ADN	ADR	RID	DOT BULK	DOT NON-BULK	IATA	IMDG
UN Number	Not regulated						
Shipping Name							
Hazard Class							
Packing group							
Environmental Hazards							

### Section 15: Regulatory Information

**US federal regulations:** This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

CERCLA Hazards Substance List (40 CFR 302.4)	Not listed
OSHA Specifically Regulated Substance (29 CFR 1910.1001-1050)	Not listed
SARA 302 Extremely hazardous substances	Not listed
SARA 311/312 Hazard Chemical	Not regulated
SARA 313 (TRI reporting)	Not regulated

#### Other federal regulations

CAA Section 112 Hazardous Air Pollutant List	Not regulated
CAA Section 112 (r) Accidental Release Prevention (40 CFR 68.130)	Not regulated
Safe Drinking Water Act (SDWA)	Not regulated

### Section 16: Other Information

#### Revision Information

Date of this version: Jan, 2023

#### Declaration to Reader

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This SDS was prepared and is to be used only for this product. If the product is used as a component in another product, this SDS information may not be applicable. O'Laughlin Corporation Limited, shall not be held liable for any damage resulting from handling or from contact with the above product. See reverse side of invoice or packing slip for additional terms and conditions of sale.
