

Version: 3.0 Revision date: 23/01/2023

# Safety Data Sheet

Product Name: Methyl Furyl Propanal

# Section 1: Identification of the Substance/Mixture and of the Company

| Product identifier        |                 |   |  |
|---------------------------|-----------------|---|--|
| Product Name              |                 | Methyl Furyl Propanal   |  |
| Product Number            |                 | 772-2090  |  |
| <b>REACH</b> Registration | on Number       | 01-2120876983-34-0000   |  |
| Relevant identified use   | e of the substa | nce/mixture and uses advised against                              |  |
| Use of Substance          | /Mixture        | Pharmaceutical Intermediates                                      |  |
| Details of supplier of t  | he SDS          |   |  |
| Company                   | O'Laughlin Co   | prporation Limited  |  |
| Address                   | Suite 1704 Cl   | ninachem Tower 34 – 37 Connaught Road, Central, Hong Kong         |  |
| Telephone                 | (852) 2527 10   | 031   |  |
| Fax                       | (852) 2529 02   | 231   |  |

|                           |                 |   |  |
| Section 2: Hazards        | Identification  | <u>1</u>  |  |
| Classification of the su  | ubstance or mi  | xture   |  |
| Classification according  | ng to Regulatio | on (EC) No 1272/2008  |  |
| Not classified as hazard  | dous substance  |   |  |
| Labelling elements        |                 |   |  |
| Labelling according to    | Regulation (EC  | C) No 1272/2008   |  |
| Pictogram None            |                 |   |  |
| Signal word None          |                 |   |  |
| Hazard Statement          |                 |   |  |
| No information availabl   | e               |   |  |
| Precautionary stateme     | ent             |   |  |
| Prevention                |                 |   |  |
| No information availabl   | e               |   |  |
| Response                  |                 |   |  |
| No information availabl   | е               |   |  |
| Storage                   |                 |   |  |
| Store in a well-ventilate | d place.        |   |  |
| Disposal                  |                 |   |  |
| Dispose of contents/co    | ntainer in acco | rdance with local/ regional/ national/ international regulations. |  |
| Hazards Not Otherwis      | e Classified    | No information available  |  |
| Supplemental Hazard       | Information     | No information available  |  |

| Section 3: Composition | on/information on ingredients |
|------------------------|-------------------------------|
|                        |                               |

|                | <u> </u>                  |
|----------------|---------------------------|
| Substance Name | 5-Methyl-Furyl-3-Propanal |

Version: 3.0

# Safety Data Sheet

| Revision date: 23/01/2023 | P          | Product Name: Methyl Furyl Propanal |  |  |
|---------------------------|------------|-------------------------------------|--|--|
| CAS Number                | 34756-16-6 |                                     |  |  |
| EC Number                 | 252-190-1  |                                     |  |  |
| % (w/w)                   | 100        |                                     |  |  |

Remarks: The rest unspecified ingredients are impurities, and they are not hazard.

## Section 4: First Aid Measures

#### Description of first aid measures

| -            |   |
|--------------|---|
| Skin contact | Wash off with soap and plenty of water. Consult a physician.  |
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.                          |
| Ingestion    | Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.             |
| Inhalation   | If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician. |
| 0            |   |

### **General information**

Consult a physician. Show this safety data sheet to the doctor in attendance.

Indication of any immediate medical and special treatment needed: No information available.

| Section 5: Fire-fighting Measures                |  |
|--|--|
| Flammable properties                             |  |
| Flash point                                      | 70 °C  |
| Firefighting                                     |  |
| Suitable extinguishing media                     | Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.   |
| Unsuitable extinguish media                      | Do not use a solid water stream as it may scatter and spread fire.   |
| Protective equipment and precautions for firefig | phters   |
| Specific hazards during firefighting             | Carbon oxides.   |
| Specific protective equipment for firefighters   | Firefighters must use standard protective equipment including flame<br>retardant coat, helmet with face shield, gloves, rubber boots, and in<br>enclosed spaces, SCBA. Structural firefighter's protective clothing will<br>only provide limited protection. Wear self-contained breathing<br>apparatus with a full face piece operated in the positive pressure<br>demand mode when fighting fires. |
| Specific methods                                 | Use water spray to cool unopened containers  |
| General fire hazards                             | Static charges generated by emptying package in or near flammable vapor may cause flash fire.  |

## Section 6: Accidental Release Measures

| Personal precautions      | Use personal protective equipment. Avoid breathing vapours, mist or gas. Ensure     |  |
|---------------------------|---|--|
|                           | adequate ventilation. Evacuate personnel to safe areas. For personal protection see |  |
|                           | section 8.  |  |
| Environmental precautions | Do not let product enter drains.  |  |

# Safety Data Sheet

Version: 3.0 Revision date: 23/01/2023 Methods for cleaning up

#### Product Name: Methyl Furyl Propanal

Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal.

#### Section 7: Handling and Storage

| Storage             | Store in cool place. Keep container tightly closed in a dry and well-ventilated place. Containers |
|---------------------|---|
|                     | which are opened must be carefully resealed and kept upright to prevent leakage.                  |
| Handling            | Avoid contact with skin and eyes. Avoid inhalation of vapor or mist. Normal measures for          |
|                     | preventive fire protection.   |
| Specific end use(s) | No information available.   |

## Section 8: Exposure Controls/Personal Protection

Control parameters: Components with workplace control parameters.

| Exposure controls                |   |
|----------------------------------|---|
| Appropriate engineering controls | Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.  |
| Personal protective equipment    |   |
| Eye/face protection              | Safety glasses with side-shields conforming to EN166 Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).  |
| Hand protection                  | Type of gloves recommended: Butyl rubber. Minimum breakthrough time / gloves: 480 min. Minimum thickness / gloves 0.11 mm.  |
| Body protection                  | Impervious clothing, the type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.  |
| Respiratory protection           | Where risk assessment shows air-purifying respirators are appropriate use a full-face respirator with multi-purpose combination (US) or type ABEK (EN 14387) respirator cartridges as a backup to engineering controls. If the respirator is the sole means of protection, use a full-face supplied air respirator. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU). |
| Thermal hazards                  | Wear suitable protective clothing to prevent heat.  |
| Environmental exposure controls  | Avoid discharge into the environment. According to local regulations, Federal and official regulations.   |
| Industrial hygiene:              | When using do not smoke. Keep away from food and drink. Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants.   |

# Section 9: Physical and Chemical Properties

| Appearance  | Colorless to pale yellow liquid. |
|-------------|----------------------------------|
| Odor        | Strong banana fruity.            |
| Flash point | 70 °C                            |

| Version: 3.0<br>Revision date: 23/01/2023<br>Specific Gravity |
|---|
| <b>Refractive Index</b>                                       |
| Acid Value  |
| Solubility (ies)  |
| Auto ignition temperature                                     |
| Viscosity   |

# Safety Data Sheet

Product Name: Methyl Furyl Propanal

| 1.0360 – 1.0400 at 20 $^\circ \!$ |
|---|
| $1.0360 - 1.0400 \text{ at } 20^{\circ} \text{ C}$  |
| 1.4750 - 1.4860 at 20 °C  |
| 2.0mg KOH/g max.  |
| Insoluble in water.   |
| No information available.   |
| No information available.   |

# Section 10: Stability and Reactivity

| Reactivity                         | Stable under normal temperatures and pressures.                          |  |
|------------------------------------|--|--|
| Chemical stability                 | Stable at room temperature in closed containers under normal storage and |  |
|                                    | handling conditions.   |  |
| Possibility of hazardous reactions | No hazardous reactions known.  |  |
| Conditions to avoid                | No information available.  |  |
| Incompatible materials             | Strong oxidizing agents, strong bases, mineral acids.                    |  |
| Hazardous decomposition products   | No information available.  |  |

# Section 11: Toxicological Information

| Information on likely routes of exposu | re   |
|--|--|
| Inhalation                             | No information available.  |
| Skin contact                           | No information available.  |
| Eye contact                            | No information available.  |
| Ingestion                              | No information available.  |
| Information on toxicological effects   |  |
| Oral/Parenteral Toxicity               | No information available.  |

# **Safety Data Sheet**

Product Name: Methyl Furyl Propanal

|                           | -   |
|---------------------------|---|
|                           | Product Name: Methyl Furyl Pro  |
| No information available. |   |
|                           |   |
|                           | No information available.<br>No information available.<br>No information available. |

## Section 13: Disposal Considerations

| Disposal instructions               | Do not discharge into drains, water course or onto the ground. Do not allow this material to drain into sewers/water supplies. Do not contaminate ponds, waterways or ditches with chemical or used container. Dispose of contents/container in accordance with local/regional/national/international regulations. |  |  |  |
|-------------------------------------|--|--|--|--|
| Local disposal regulations          | Dispose in accordance with all applicable regulations.   |  |  |  |
| Hazardous water code                | No information available.  |  |  |  |
| Waste from residues/unused products | Empty containers or liner may retain some product residues. This material and  |  |  |  |
|                                     | its container must be disposed of in a safe manner.  |  |  |  |
| Contaminated packaging              | Empty containers should be taken to an approved waste handling site f  |  |  |  |
|                                     | recycling or disposal. Since emptied containers may retain product residue,  |  |  |  |
|                                     | follow label warnings even after container is emptied  |  |  |  |
